Define Problem Statements (Customer Problem Statement Template):

LegalEase leverages state-of-the-art Generative AI to simplify the creation of legal documents by providing customizable, accurate, and editable templates for a wide range of use cases. Users can generate employment contracts, lease agreements, NDAs, and more—all tailored to their specific inputs like involved parties, effective dates, and key terms.

Built with FastAPI and integrated with a powerful AI core, LegalEase ensures users receive professional-grade legal documents that maintain formatting standards, include custom branding (such as logos and fonts), and support features like editable previews and automatic term tables. With secure handling of sensitive user data and seamless document export options (.PDF, .DOCX, .TXT), the platform bridges the gap between accessibility and legal professionalism.

LegalEase empowers entrepreneurs, professionals, and individuals to generate reliable legal content confidently—without needing a legal background.

Example:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	An individual, entrepreneur, or professional	Create a professional legal document such as a contract, NDA, or lease agreement	I need to prepare the document with the correct parties, terms, dates, and formatting	Creating and formatting legal documents manually is difficult without a legal background	Confused and concerned about creating a reliable legal document
