Empathy Map

Create an empathy map to understand your customer/user from four perspectives - what they Say, Think, Do, and Feel - in relation to the problem your project addresses. This helps the team build a customer-centric solution.

SAYS	THINKS
• “I need to create a legal document quickly.” • “I don’t understand complex legal terms.” • “I want a professional-looking document.”	• “Am I including all the necessary clauses?” • “Will I make any mistakes while preparing the document?” • “I need an easier way to create legal documents.”
	PERSONA NAME LegalEase User <i>(Role / User Type)</i>

	Individual / Entrepreneur / Professional who needs a legal document	
DOES • Searches for legal document templates. • Enters details such as parties, terms and dates. • Creates, edits and downloads the required document.		FEELS • Confused by complex legal language. • Worried about making mistakes. • More confident when the document is structured and easy to edit.
