2	Progress Update	Weekly	WhatsApp / Online Meeting	All 5 Team Members	Review completed work, discuss pending tasks, and coordinate the next development activities.
3	Issue / Bug Discussion	As Needed	WhatsApp / Online Discussion	Relevant Team Members	Report technical issues, discuss bugs, and coordinate solutions during development and testing.
4	Stakeholder Review	Bi-Weekly	Online Meeting / Project Review	Team Members & Stakeholders	Present project progress, collect feedback, and discuss required improvements to LegalEase.
5	Final Demo Rehearsal	Once	Team Meeting	All 5 Team Members	Rehearse the final demonstration, verify feature flow, assign presentation responsibilities, and prepare for Q&A.

Communication Challenges & Resolutions:

S.No	Challenge Faced	Resolution / Action Taken
1	Difficulty coordinating tasks among all team members during development.	Responsibilities were divided among team members and progress was communicated regularly through team discussions.

2	Technical issues and bugs during development and integration.	Issues were discussed with the relevant team members, investigated, and resolved through collaborative troubleshooting and testing.
3	Difficulty maintaining consistency between development work and project documentation.	The team reviewed the documentation regularly and coordinated to ensure that implemented features and documented features remained aligned.
